

## Quick View

In the search results and product recommendations, click on the product's image  to open the Quick View pop-up.

The **Quick View** contains the following information:

- A larger image.
- Additional images (if available).
- The vendor's name.
- The product's description.
- The product code.
- The price and unit of measure.
  - This icon  may display at the right of the price. Hover it to see if handling or eco fees are added for this item.
  - The **Additional Fees Apply** message also displays below the item to inform you that the product has handling or eco fees.
- Possible discounts by ordering a larger quantity.
- The minimum purchase quantity for drop shipment items.
- The quantity already in your cart (if applicable).
- The availability.
- Assembly information (if applicable).
- Delivery information.
- Installation information (if applicable).
- Feature icons.

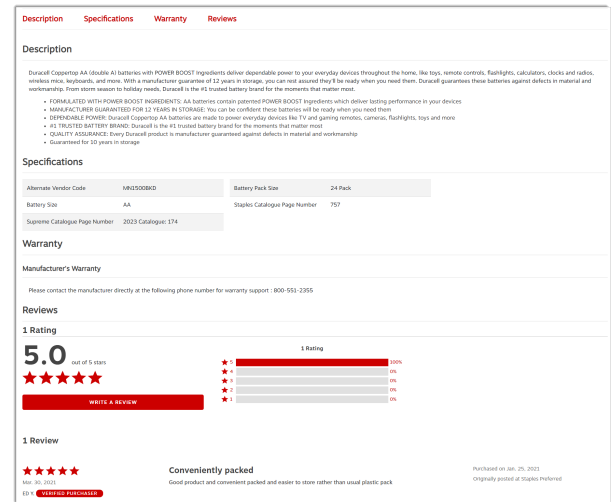

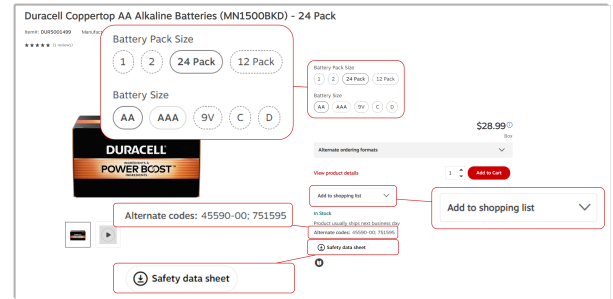

Click on **View more details** to open the **Product Details** page where you'll find all the available information about the product.

## Product Details

You can reach the **Product Details** page by clicking on a product's description in most eway pages, such as search results, shopping cart, shopping lists and product recommendations.

Beside the information seen in the **Quick View**, you'll find the following details:

- Alternate ordering formats.
  - Some products could display product variants, such as the format, available in different package size, etc.
  - Hover each variant to view their availability.
- Possible discounts by ordering a larger quantity.
- Minimum order quantity for drop ship items.
- A link to reach our **Box finder** (if applicable).
- If you have a shopping list, you can add this product to it.
  - Select the appropriate shopping list if you have more than one and click on **Add to shopping list**.
- The alternate product codes (if applicable).
- SDS forms (if applicable).
- A detailed description.
- Product specifications.
- Warranty information.
- Accessories (required and suggested).
- A video demonstration (if applicable).
- A gallery of additional images and 360-degree images (if applicable).
- eway customer ratings and manufacturer's customer ratings (if applicable).
- Manufacturer's specifications (if applicable).
- The contents of the package (if applicable).

Depending on the queried product, additional information provided by the manufacturer may also be available.
